

To whom it may concern,

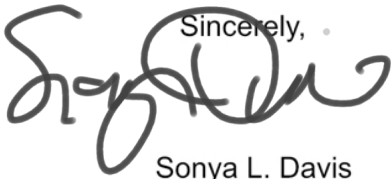

My name is Sonya Davis, and I am the District Coordinator for afterschool programs at Barren County Schools. And I am pleased to be writing this letter of recommendation in order to support Will Fant.

I can assure you that Will Fant has a very skilled work ethic and exemplary skills. Will has been a consistent top performer in our summer programming for the past four years.

Will is a team player and is proactive in helping his teammates, regarding any issues and challenges brought to him.

I strongly recommend Will Fant as an excellent and professional student and employee. It was my pleasure to have Will working for me in the summer programming with his self-confidence and positive attitude, even when facing difficulties. I am confident that he will continue to demonstrate the diligence, perseverance, and optimism that he has shown to students, staff, and peers. Please feel free to contact me for any further questions by email ([sonya.davis@barren.kyschools.us](mailto:sonya.davis@barren.kyschools.us)) or by phone(606-217-10066).
