To Whom It May Concern:

I wish to recommend Will Fant for the open position. As the Head Boys Soccer Coach at Barren County High School, I have had the pleasure of coaching Will for the past four years and I have developed a great deal of respect for him during that time. He is a wonderful student and young man.

I personally feel like Will would be the perfect addition to your team due to his work ethic and his always positive attitude. He is very dependable on and off the field. As a coach, I always knew what I would get out of Will every day, and that would be his very best, while also encouraging his teammates to do the same. Will has a great competitive spirit and always gives maximum effort.

Will was the type of player every coach loves to have. He would work as hard as anyone on the team and would do whatever was asked of him. Will was a great teammate and he's the type of person that every team or organization needs.

It has been a pleasure to coach Will for the past four years and I will miss having him on the team this upcoming season, but I know your organization will be better off with him on your team.

Sincerely,

Joe Taylor Mercer
